Sir, -

N.B. 1 Sec. 30 Tp. 55 Rge. 3 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the pre-sentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Kornelius Polowsky (or Polowsky) Esq.,
LaS Bellevue,
Alberta.

Acting Commissioner

Dear Sir:

Re: N.E. 30-55-9 W. 4th Mer.

This will acknowledge your letter of April 14th, 1948 requesting the amount necessary to discharge Federal liens registered against the above property.

In 1920 the Municipality of Laurier No. 543 advanced relief to Kornellius Polowskyj in the amount of \$51.00 and secured by a Federal Government lien taken on the N.E. 30-55-9 W. 4th Mer. No payment has been made on this account which now stands:

Principal	Interest	Total
\$51.00	\$100.96	\$151.96

In order to assist your client in clearing title to this property, if you will remit \$101.48 representing the principal outstanding, plus one-half the accrued interest to date, a recommendation will be made to the Seed Grain Adjustment Board that this be accepted in full settlement of our claim.

Kindly have payment drawn in favour of the Receiver General of Canada and forward in care of the undersigned.

Yours very truly,

Re: Account of Kornelius Polowsky
A.S.A. 10-22-9-8.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to \$21.00 was made to Kornelius Polowsky in 1920, on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$21.00	\$154.50	\$205.50

The Provincial authorities have advised me that this lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Pender for animals and other relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

February 10, 1949.

Dear Sir:

Re: WT 56-56-9-4.

In the records of the former L.L. of Laurier a joint relief Advance appears in the name of J. Bereska in respect of assistance granted him on March 23, 1940 in the amount of \$214.80. The above land is quoted in connection with this account but a recent search letter does not disclose any lien on the property. Amount of the advance.

The attached letter, however, does show the following lien:

3020 C.P. - C.G. Lien, dated March 2nd, 1920 registered March 2, 1922 to the Crown for \$202.50 at 7%.

It is noted that the date of the lien just referred to is the same as the date of the advance and as the lien is registered in the name of the Crown we are not certain as to whether same has reference to the joint relief Advance or whether it was registered as security for a straight Dominion Advance. It would be appreciated if you would examine your records in this connection and let us have your advice.

Yours very truly,

RCF/ER

Dear Sir:

Re: S.W. 36-56-9 W. 4th Mer.

In reply to your inquiry of February 9th, 1949, you are advised that the Crown Lien in the amount of \$202.50, registered against the above quarter section was taken to secure a joint advance of \$200 in 1920. Although the actual advance was in the amount of \$225.50 the security was taken in the amount of \$214.80 representing the amount of the advance plus \$12.30 interest.

From the foregoing you will see that the Lien registered against the S.W. 36-56-9 W. 4th Mer. was taken to secure the joint relief advance appearing in the records of the former Municipal District of Laurier.

Yours very truly,

G.E.C. Sinclair,
Chief, Lands Division.

Dear Sir,

I have been informed that the South-

As we have no Dominion seed grain,

Re: Account of Iwan (Ivan) Bereska
S.S.# 30-26-9-8.444

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to \$202.50 was made to Iwan (Ivan) Bereska in 1920 on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$202.50	\$607.78	\$812.28

The Provincial authorities have advised us that this lien is not registered against the title to this land.

by a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for animals and other relief. The Province of Alberta has agreed to cancel their share of the Joint Federal Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Sir. - Re H.W.4 5 - 10 - 18 W.4th Mer.

I beg to acknowledge the receipt of your letter of the 18th ultimo, requesting to be granted permission to remove a cottage from the above mentioned land which you apparently erected thereon during the time you held the land under sale.

In reply I beg to state that when you surrendered this land to the Crown by deed of Surrender made by you under date of the 8th December, 1925, the sale was cancelled and you were then notified that all improvements upon the land reverted to the Crown along with the land, and must not be removed without the permission of the Department.

The cottage and the other improvements upon the lands have now become the property of the Crown and the Department, therefore, is not at liberty to grant you permission to remove any of the improvements from this land, and I regret that your request to remove the cottage cannot be favourably entertained.

Your obedient servant.

Re: account of Elisha R. Karren,
No 5-9-22-44.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Elisha R. Karren received seed grain and fodder as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is \$769.69 of which \$252.30 is principal and \$517.39 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Re: Account of Elisha R. Karren

Dear Sir:

In a letter dated the 15th of February, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain and fodder which were advanced to Mr. Elisha R. Karren by the Federal Government in the year 1915. The amount outstanding is \$769.69 of which \$252.30 is principal and \$517.39 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government and Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens. Yours very truly,

Re: Account of Elisha R. Karren
EA 5-6-22-v.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to \$252.30 were advanced to Elisha R. Karren on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$252.30	\$574.17	\$826.47

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

L.L. 5-6-22-1-4th.

This Department has old accounts against the above note lands for advances of Keller, Seed Grain and Fodder to E.R. Karren in 1915; Fred J. Backe in 1915, 16, 18, 20, 21, 22.

We are anxious to bring our records up-to-date and if possible settle these long outstanding accounts. It would assist us greatly if you would be kind enough to complete the attached forms.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

Re: account of Elisha R. Karren,
Re 5-6-22-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Elisha R. Karren received seed grain and fodder as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is \$769.69 of which \$252.30 is principal and \$517.39 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

Re: 5-6-22-W.4th

Dear Sir:

In a letter dated the 15th of February, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain and fodder which were advanced to Mr. Elisha R. Karren by the Federal Government in the year 1915. The amount outstanding is \$769.69 of which \$252.30 is principal and \$517.39 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens. Yours very truly.

Re: Account of Elisha R. Karren
Ex 5-6-22-v.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to \$252.30 were advanced to Elisha R. Karren on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$252.30	\$574.17	\$826.47

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

WHEREAS the Government of the Dominion of Canada and the Government of the Province of Alberta recognize that a serious situation exists in a portion of the Province of Alberta, owing to the recent severe drought and consequent crop failure, and that the settlers in the areas affected are in many cases in need of certain relief by way of provisions and fuel, as well as fodder for animals.

Re: Account of John A. Cox
 as 15-10-45-6.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to \$420.90 were made to John A. Cox in 1921 and 1922, on the security of the above-mentioned land. Payments of \$37.50, \$37.50, \$15.00, \$35.70, \$157.07 and \$13.17 were collected by the Province in 1923, 1926, 1927, 1927 and 1928, respectively, and applied to the principal and interest. No payment has since been received and the present standing of this account is:-

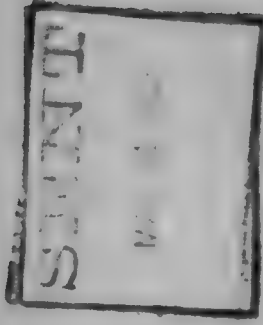

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$291.91	\$726.03	\$1,019.94

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Re: Account of Jean A. Cox
of 12-10-23-8.4th

The undersigned members of the Seed Grain Advisory Board, having taken into consideration the attached report, approve the settlement outlined therein and do hereby recommend:-

1. That the Joint-Provincial and Federal indebtedness, which is more particularly described in the attached report, be cancelled, without any payment.

OTTAWA, March 10th, 1921

MEMORANDUM:

MR. COY.

E. L. OF C.E. 1 16-16-2-7. 5th L.

On the 10th of March, 1916, Mr. James Evans made application for homestead for the above land at the Dominion Lands Office at Calgary. An Interim Homestead receipt was issued to him, but subsequently it was found that this action had been taken in error as the land was not available for entry, being reserved for stock-watering purposes under Order-in-Council of the 1st of March, 1915. Mr. Evans was notified of the fact on the 11th of April, 1916, which was about a month after the date of his entry, and advised of the necessity for the cancellation thereof. This land is still unavailable for entry under the reservation, as above stated.

Mr. E. L. Coy. M.P. has taken the matter up on behalf of Mr. Evans, and points out that subsequent to the date of entry, and prior to the notification of the cancellation of his entry, Mr. Evans enlisted for active military service, and he is requesting that the Department credit Mr. Evans with his active military service as homestead duties in connection with other land for which he may make entry.

This has been allowed in some cases, and in view of the error of the Department in granting the entry to Mr. Evans in this case, possibly you will desire to do so.

Memorandum:

Mr. Perrin.

Re L. of S. 1.4 16-16-2-d.5th M.

The Acting Deputy Minister has called for a report in reference to the application of Messrs. P. Burns Ranches, Ltd., of Calgary, to locate halfbreed scrip on the land above mentioned. Commissioner's reference No. 4220.

I beg to report that the land in question was posted for leasing only in the month of December last, on instructions from the Deputy Minister's Office - memo. marked.

The Burns people, who are stated to be owners of the surrounding land, made application for a lease, and whereas no other applications have been recorded in the interim, they have relinquished all their rights under the grazing regulations as aforesaid in order to be in a position to locate halfbreed scrip.

ation accordingly.

The matter is submitted with a recommend-

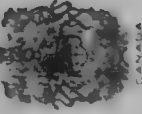

COMMISSIONER:

Please see Departmental letter dated the 12th of December last, especially the last paragraph but one.

The regulations provide that the right of abandonment to locate half-breed scrip may be extended to cover the holder of a grazing lease who is in good standing and who desires to relinquish a quarter-section or more from the lease for this purpose.

In a memorandum dated the 11th of December last Mr. G.P. Pereira, Controller of the Timber and Grazing Division, sets out that so far as his Branch is concerned there is no objection to a scrip being located in the manner indicated.

RE SEED GRAIN

SIR,

In answer to your letter of recent date, asking for an advance of seed grain, I have to inform you that this Department is making arrangements to supply bona fide settlers, who have lost their crop this year and are unable to obtain seed, with good, clean seed next Spring, delivery to start about the middle of February. This seed will be furnished at cost, cleaned and sacked, and thoroughly inspected by Inspectors of the Department of Agriculture, and security therefor taken by lien on the unpatented land of the settler. In the case of the settler having only patented land, a note must be given for the amount so advanced, lien or note will be repayable on or before January 1st, 1916, with interest at 5 per cent. per annum.

When making application, give correct description of your land, state whether it is unpatented homestead, pre-emption, purchased homestead or scrip. Should you have only patented land, say so, and give exact location of same, state also how much encumbrance against the land, if any. Wheat, oats and barley are the only grains which will be distributed and in sufficient quantities to sow land you have under cultivation, and ready for seed.

I am enclosing you herewith an application form, which, if you will carefully fill out and return to me, will have due consideration.

To receive consideration application must be returned at once.

Your obedient servant,

Sir:

Mr. Ernest Erick made an application for seed grain giving the land above described as his purchased land, on which he had paid \$1160.00, and incurred indebtedness as shown in statement hereunder:

Int.	5, 4-8-16 to 21-12-18	Fodder	\$ 85.50

These liens, it appears, were signed by him in the capacity of owner, and in all probability title has never stood in his name.

It is noted from abstract of title that the Calgary and Edmonton Railway Company, Montreal, P. E. are registered owners, to whom title issued on 5th August, 1918.

Re: Account of Anton Getz,
ME 5-17-1-M4.

Dear Sir:

During the year 1919 and 1920 while homesteading the above mentioned land, Mr. Anton Getz received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is \$748.12 of which \$210.50 is principal and \$537.62 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

J. C. K. LeCapelain

Dear Sir:

Re: Account of Anton Getz
N.E. 5-17-1-W.4th

In a letter dated the 8th of February, 1956, you were advised that there was an outstanding account charged for seed grain which was advanced to Mr. Anton Getz by the Federal Government in the years 1919 and 1920. The amount outstanding is \$748.12 of which \$210.50 is principal and \$537.62 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

"Replying to your letter of February 8, 1956 file # 3839840 and 3844314 and as instructed by Mr. Getz who is very anxious to settle the account.

Mr. Getz has had hail again this year and the yield per acre was very poor, please advise us what would be the minimum amount acceptable to the Seed Grain Advisory Board."

Inasmuch as there is also a Joint-Provincial and Federal account in the amounts of \$68.48 and \$50.00 also charged against this land in addition to our Dominion liens for \$113.00 and \$97.50, we are referring this account to you for settlement. The present standing of the Dominion account is:-

Re: Account of Anton Getz
Re 5-17-1-W.4th

This will acknowledge receipt of your letter of the 3rd of September, 1958, concerning the liens registered against the above mentioned land for seed grain advances made to Anton Getz in 1919 and 1920. The present standing of our account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$210.50	\$567.10	\$777.60

On reviewing our files we find that there are also two Joint-Provincial and Federal liens for relief advances made to Anton Getz in 1920 for \$68.48 and \$55.00 by the Province of Alberta.

As it is the policy to settle both Dominion and Provincial indebtedness on a compromise settlement basis, we are forwarding a copy of your letter to Mr. A. R. Duff, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, who will no doubt contact you and advise you of the minimum amount acceptable to clear the title of this land.

Yours very truly,

This quarter section at that time was your homestead entry. Since that time, at your request, your entries have been interchanged and you now hold the North East quarter as a homestead and the North West quarter as a pre-emption. Your application for patent, is therefore, now of no use and as it would appear that you have fulfilled all the necessary duties to make a successful application for patent for your homestead you should again appear before the Sub-Agent and execute a new application.

On the 2nd March 1920 you applied for Homestead patent for the N.W. 1/4 5-17-1 74th., on the 21st May 1921 you were advised that as your entries had been interchanged and as you now hold the North East quarter of this section as a homestead it would be necessary for you to make a new application for patent.

I am now in receipt from the Sub-Agent of Dominion Lands at Medicine Hat the evidence of two witnesses for application for the North East quarter, but as you have not made application for this quarter section the evidence is of no use; you should therefore appear with your witnesses before the Sub-Agent and complete an application for patent for the North East quarter.

No. 5-17-1-4th

With further reference to your application for patent for your re-emption, the above described quarter-section, I wish to inform you that an Inspector of Dominion Lands in July last reported that you promised to make a payment in the fall.

The Agent of Dominion Lands at Ottawa has recently advised that you have failed to do so and it will, therefore, be necessary for you to obtain thirty days from this date to that good faith by making a substantial payment on account of the purchase price.

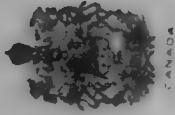

Should the aforesaid agent not receive the required assistance, it is just possible that cancellation proceedings will be instituted, making into consideration the fact that you have held entry for over eleven years, and it must be considered that you have had ample time to obtain which to discharge your indebtedness.

W.B. 4 Sec. 6 Tp. 17 Rge. 1 West 6 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

Re: Account of Anton Getz,
Wk 5-17-1-44.

Dear Sir:

During the year 1919 and 1920 while homesteading as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understood you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is \$748.12 of which \$210.50 is principal and \$537.62 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, founer and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

E.K. LeCapelain,
Chief, Lands Division.

Re: Account of Anton Getz
N.E. 5-17-1-A.464

In a letter dated the 8th of February, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain which was advanced to Mr. Anton Getz by the Federal Government in the years 1919 and 1920. The amount outstanding is \$748.12 of which \$210.50 is principal and \$537.62 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Re 5-17-1-E.4th

On the 3rd of September, 1958, Mr. W. D. Goehring, Insurance Agent, 1240 Bridge Street, Medicine Hat, Alberta, wrote us on behalf of the above mentioned party as follows:-

"Replying to your letter of February 8, 1956 file # 3839840 and 3844314 and as instructed by Mr. Getz who is very anxious to settle the account.

Mr. Getz has had bail again this year and the yield per acre was very poor, please advise us what would be the minimum amount acceptable to the Seed Grain Advisory Board."

Inasmuch as there is also a Joint-Provincial and Federal account in the amounts of \$68.48 and \$50.00 also charged against this land in addition to our Dominion liens for \$113.00 and \$97.50, we are referring this account to you for settlement. The present standing of the Dominion account is:-

Re: Account of Anton Getz
N. 5-17-1-R.4th

This will acknowledge receipt of your letter of the 2nd of September, 1928, concerning the license registered against the above mentioned land for seed grain advances made to Anton Getz in 1919 and 1920. The present standing of our account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$210.50	\$567.10	\$777.60

On reviewing our files we find that there are also two Joint-Provincial and Federal loans for relief advances made to Anton Getz in 1920 for \$68.48 and \$55.00 by the Province of Alberta.

As it is the policy to settle both Dominion and Provincial indebtedness on a compromise settlement basis, we are forwarding a copy of your letter to Mr. A. R. Duff, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, who will no doubt contact you and advise you of the minimum amount acceptable to clear the title of this land.

Re: Account of Anton Getz
No. 5-17-1-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 and 1920 seed grain amounting to \$210.50 was advanced to Anton Getz on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$210.50	\$603.94	\$814.44

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

OTTAWA, 14th August, 1928.

Sir,--

S.E. 4 Sec. 21 Tp. 78 Rge. 13 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Arne Johnson, Esq.,
Peace
Alberta.

Acting Commissioner
of Dominion Lands.

Re: Account of Dean E. Smith
N.E. 20-3-16-8.4th
N.E. 1 22-2-13-8.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to \$759.90 were made to Dean E. Smith in 1919, 1920, 1921 and 1922, on the security of the above-mentioned land. Payments of \$50.00, \$75.00, \$20.00 and \$155.76 were collected by the Province in 1923, 1924, 1927 and 1929, respectively, and applied to the interest. No further payment has ever been received and the present standing of this account is:-

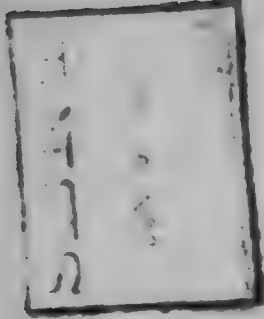

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$759.90	\$1,973.30	\$2,733.20

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The Province of Alberta has agreed to cancel their share of the joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Re: Account of John E. Taylor
J.E.A 23-2-25-N.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to \$219.22 were made to John E. Taylor in 1920 and 1922 on the security of John E. mentioned land. Payments of \$7.55, \$2.00, \$5.00, \$206.35 and \$4.75 were collected by the above-mentioned party in 1920, 1923 and 1925, respectively, and applied to the principal and interest. The present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$45.00	\$126.16	\$171.16

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, or outstanding indebtedness for the Federal share of animals and other relief. The Province of Alberta has agreed to cancel their share of the Joint Federal Provincial indebtedness. The Province of Alberta has agreed to cancel their share of the Joint Federal Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

MEMORANDUM OF AGREEMENT between the Honourable Arthur Meighen, Minister of the Department of the Interior, on behalf of the Government of the Dominion of Canada, and the Honourable Charles Stewart, Premier, on behalf of the Government of the Province of Alberta, entered into this 23rd day of October, 1919.

WHEREAS the Government of the Dominion of Canada and the Government of the Province of Alberta recognize that a serious situation exists in a portion of the Province of Alberta, owing to the recent severe drought and consequent crop failure, and that the settlers in the areas affected are in many cases in need of certain relief by way of provisions and fuel, as well as fodder for animals.

AND WHEREAS the Governments aforesaid have undertaken to provide such relief to the said needy settlers affected on the terms and in the manner hereafter set forth:

THEREFORE, it is agreed by the said Minister of the Interior and by the said Premier of the Province of Alberta as follows:

- (1) That the Government of the Province of Alberta will undertake the distribution of relief to said settlers whether owning their land or holding the same under entry from the Dominion of Canada and in accordance with their necessities.
- (2) The respective Governments aforesaid will each bear one-half of the amount of such relief and for such purpose the Government of the Dominion of Canada will from time to time and upon the request of the Government of the Province of Alberta pay over to the latter the necessary funds to meet its one-half share of the total amount of relief as provided; it being understood, however, that no part of the expense of the administration in connection with the distribution of such relief is to be paid by the Government of the Dominion of Canada.
- (3) The security of liens taken for relief advances shall be in favour of the Government of the Province of Alberta, except in cases where relief is being extended to settlers upon unpatented lands, in which event the security or liens on such unpatented lands shall be in favour of the Government of the Dominion of Canada.
- (4) If relief is provided by a municipality and the Government of the Province discharges a liability for the actual amount of such relief or part thereof incurred by the guarantee of such municipality, the Government of the Dominion of Canada will pay the Province one-half of the amount paid to discharge such liability and thereafter one-half of any amount collected by the Province in respect of such relief or the security taken therefor shall be paid to the Government of the Dominion of Canada, and where money is collected either by the Government of the Dominion of Canada or by the Government of the Province of Alberta in respect to other advances made under this agreement, the Government making such collection shall pay one-half of the same to the other Government.
- (5) No discharge or partial discharge should be given of any security except by mutual consent of the Premier of Alberta and the Minister of the Interior or in accordance with the principles to be hereafter mutually agreed to.

Referring to the letter hereunder from the Minister of Agriculture, Edmonton, I beg to state that the lien for \$64.72 dated the 10th May, 1920, was given by Luke Lynch against the H.f 5-11-9 W4th as owner of same. As Robert A. Parker had already given liens against this land, which was patented to him, and Mrs. Eva Hillestad had given liens against same as renter, it was considered that the land must have been wrongly described, and the lien was placed on a separate file. I would recommend that the necessary authority be given the Provincial Government to release the lien for \$14.72 as affecting the H.f 5-11-9 W4th, and that they be requested to endeavour to collect from the lienor.

Respectfully submitted,

Re: Account of Luke Lynch
No 5-11-9-4.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to \$54.72 was made to Luke Lynch in 1920 on the security of the above-mentioned land. In 1922, it was ascertained that the advance had been obtained on the wrong description of land and was improperly registered against this half-section. On the 14th of August, 1922, authority was issued releasing the No 5-11-9-4.4th as security for the lien, and the indebtedness was to be retained against the debtor under his personal covenant. No payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$54.72	\$164.32	\$219.04

The Provincial authorities have advised us that this lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

The attached Inspector's report of recent years on file in connection with this quarter-section. The 1222 liens were given on the security of the 14-1-17-7-4th, with the exception of the 14-1-17-7-4th, which for \$45.00 and the head train lien for 14-1-17-7-4th. were given on the security of the 14-1-17-7-4th. The Provincial and Federal liens as shown in the statement were given against the 14-1-17-7-4th with the exception of the 14-1-17-7-4th, which was given on the security of the 14-1-17-7-4th.

14-1-17-7-4th.

This quarter is a land grant to the Alberta Railway and Coal Company under date of the 1st August, 1901. It will be noted that this is the land to give as security for his Provincial and Federal liens of \$75.00. There is no statement Inspector's report nor abstract of title and I am therefore unable to give you further information in connection with same.

Representations have been made by Mr. Charles Getty at Warner, Alberta, under date of the 17th January last, reading as follows:

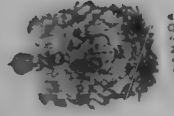

"In regard to seed grain and relief due on above lands, I am desirous of making a settlement on this at once.

"I have put in a great number of acres of seed grain so have been unable to keep this account from amounting to the total of about \$500.00. However, I am now in a position to pay a very substantial amount and I ask that the department accept the sum of \$250.00 as full payment and release me from this burden.

"Please inform me at earliest possible moment as to what the department will accept; if reasonable the amount will be forwarded at once."

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned Party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of \$174.00 was made to S. I. Furman in 1920, on the security of the above-mentioned land. A payment of \$37.00 was collected by the Province in 1920 and applied to the Principal and interest. No further payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$143.93	\$426.41	\$570.34

The Provincial authorities have advised us that this lien is not registered against the title to this land.

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to \$63.00 was made to Asa P. Scoville in 1922 on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

The Provincial authorities have advised us that this lien is not registered against the title to this land.

The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Re: Account of Joseph Angleson
all of acc. 24-11-17-4.464

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to \$11.17 was made to Joseph Angleson in 1922 on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$11.17	\$32.05	\$43.22

The Provincial authorities have advised us that it is lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for seed grain, recover for animals and other relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Ex 31-10-16-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to \$90.00 was made to Wm. F. Russell in 1922 on the security of the above-mentioned land. Payments of \$10.00 and \$10.00 were collected by the Province in 1926 and applied to the interest. The present standing of this account is:-

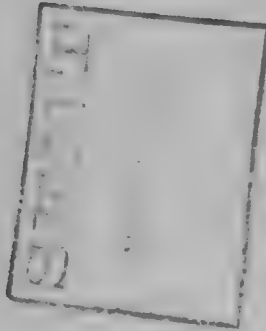

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$90.00	\$238.30	\$328.30

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Re: Account of Edmond Larsen
by 21-10-7-N.A.A.

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to \$43.00 was made to Edmond Larsen in 1920 on the security of the above-mentioned land. A payment of \$17.25 was collected by the Province in 1923 and applied to the principal and interest. No payment has since been received and the present standing of this account is:-

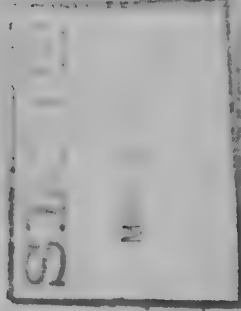

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$13.04	\$22.80	\$35.84

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the federal share of outstanding indebtedness for seed grain, fodder for animals and other relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

MEMORANDUM:-

Mr. Perrin.

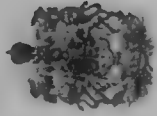

This case comes up in a list of cases where there is indebtedness for seed grain, fodder or relief charged against a parcel of land in British Columbia.

It would appear that John L. Cooper, formerly held the S.W. 34-23-11-N. 3rd, and became indebted for relief 1915, \$25.00; and seed grain 1920, \$150.75. In addition, it appears from the Agent's letter of the 18th of July 1928, that he also owes for fodder 1920, \$150.00. This is assumed to be a 50-50 advance.

Cooper's entry has been cancelled, and the land has been taken by H. Wormaldahl, who has paid \$129.00 on account of the relief and seed grain indebtedness.

This being a green entry, we are still sending out statements of indebtedness to Cooper covering both seed grain and relief. Our statements do not contain the fodder, which apparently is Provincial.

N.W. 1/4 4-84-19-W. 6th Mer.

Complying with the request conveyed in the Commissioner's memorandum of the 31st ultimo the indebtedness S.W. 1/4 34-23-11-W. 3rd Meridian which he abandoned on February 15th, 1928, and obtained a Soldier Grant entry to the S.W. 1/4 9-84-19-W. 6th Meridian on April 23rd following.

S.W. 1/4 34-23-11-W. 3rd Mer.

Subsequent to the Lience's abandonment of this quarter it was re-entered for by H. Wormdahl on July 17th, 1928, who assumed the outstanding indebtedness and paid the sum of \$129.00 to the credit of the same. On December 26th following he also remitted the sum of \$80.00 as the Inspector's valuation of the improvements existing at the time of entry. I notice from file that this \$80.00 has not yet been transferred and applied to the credit of the outstanding indebtedness and furthermore that the \$129.00 is being held as a green entry.

S.W. 1/4 9-84-19-W. 6th Mer.

The Lience, Mr. Cooper, is still farming this quarter-section as well as the N.W. 1/4 4-84-19-W. 6th Meridian for which he obtained entry on August 22nd, 1927. Mr. Cooper obtained those entries subject to his indebtedness as incurred on the S.W. 1/4 34-23-11-W. 3rd Meridian, and according to the practice of the Department as pursued in other cases this would automatically clear the latter land with the result that Mr. Wormdahl's entry there- to cannot be considered as affording any security - the \$80.00 paid by him for improvements should, therefore, be applied to the credit of Mr. Cooper's indebtedness and the \$129.00 now held as a green entry should be refunded to him.

Furthermore, and in regard to any adjustment on behalf of Mr. Cooper and his new entries it will be noted that his present holdings are in British Columbia so that it does not appear that there is any legally constituted body to deal therewith.

RE: Account of John Lemuel Cooper
S.W. $\frac{1}{2}$ 34-23-11-W.3rd

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party in referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1920 relief and seed grain amounting to \$175.75 were advanced to John Lemuel Cooper on the security of the above mentioned land. Payments of \$80.00 and \$129.00 were received in 1928 and applied to the principal and interest. The present standing of this account is:

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$74.75	\$98.18	\$172.93

The S.W. $\frac{1}{2}$ 34-23-11-W.3rd was formerly the homestead entry of the debtor on which security the advance of relief and seed grain were obtained. His entry was later cancelled and was re-entered upon by a Mr. H. Normdahl on the 17th of July, 1928. Patent was issued in the name of Hans Normdahl for the S.W. $\frac{1}{2}$ 34-23-11-W.3rd on the 19th of April, 1936, subject to the 1920 lien only.

This quarter section of land is not of high assessed value and has never been revenue producing sufficiently to enable the owner to repay the indebtedness registered against it.

In reply to our questionnaire of the 19th of January, 1951, the Secretary-Treasurer of the R.M. of Victory No. 226, advised us that there was an accumulation of \$140.72 arrears of taxes outstanding against the land.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances and in view of the substantial payments already received, it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

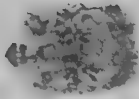

In 1920 fodder amounting to \$150.00 was advanced to John L. Cooper on the security of the above mentioned land by the Rural Municipality of No. 226. The sum of \$3.00 was collected by the Municipality and in 1940 when the bank loan had not been repaid the account amounting to \$147.00 was implemented jointly by the Provincial and Federal Governments. No payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$147.00	\$154.35	\$301.35

According to an Abstract of Title dated the 23rd of January, 1951, this quarter section of land now stands clear of any Joint-Provincial and Federal encumbrance. On the 7th of December, 1955, Mr. A. S. James, Collection Supervisor, Farm Loans and Collections Branch, Treasury Department, Province of Saskatchewan, wrote us giving his approval to the writing off of this account.

As the lien is not registered against the land and there is no further security for the advance, it is recommended that the Joint-Provincial and Federal indebtedness be cancelled.

Your Ref. 1-6-71.

Sir:

In this case kindly be referred to Board Order No. 2658, and especially to the statement of the Joint Indebtedness as set forth in Mr. Loree's report showing principal outstanding of \$186.60, with interest - \$100.23; and be advised that according to the records of this office two payments have been made to the credit of this account, the first dated December 9th, 1929, in the sum of \$66.00, and the latter on June 4th, 1930, in the sum of \$40.00.

I would also direct attention to the recommendations of the Board as on page 2 and that immediately following section 6 to the effect against the Joint Relief when be retained as a charge against the S.L.L. 1-4, and further that the sum of \$112.20 be accepted in full settlement of all claims charged against the S.L.L. 1-4. Should not the last reading be the S.L.L. 1-4?

It has been considered advisable to apprise you of these discrepancies, and to await your further advice in regard thereto.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:
"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

- (1) of Canada—and has served out of Canada; or, wherever he may have served in, by reason of his ability incurred or aggravated as the result of such service in receipt of a pension; or
 - (2) of his Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or
 - (3) of his Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war, and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.
- Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

- (a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,
- (b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board an advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,
- (c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the respective right of entry is considered; or until the evening of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Dear Sir:

Your letter of September, 1956, addressed to the Department of Citizenship and Immigration, Ottawa, has been referred to this Department for attention.

In reply, I wish to inform you that our records disclose that one Horace Williams applied for homestead entry for the Northwest quarter of Section Two, Township Three, Range Twenty-six West of the Fourth Meridian, Cardston, Alberta. He built his home in July, 1889, and Letters Patent were issued in his name on the 18th of December, 1895.

In his sworn statement dated the 8th of October, 1895, in support of his application for said Letters Patent for the said land he gave his age as 26 years. He also stated that his family consisted of his wife and four children. Their names or ages are not shown in our records. He was naturalized on the 13rd of March, 1895.

With reference to Thomas John Wilson, I may say that he applied for homestead entry for the Northeast quarter of Section Thirty-six, Township Two, Range Twenty-seven, West of the Fourth Meridian, Lethbridge, Alberta, and Letters Patent were issued in his name on the 27th of October, 1900.

Dear Sir,

This will acknowledge receipt of your letter of the 18th September, your file 1202-2779, regarding James Oscar Bailey who is said to have proved up on a homestead in Canada without becoming naturalized.

Please be advised that we have record of a James Oscar Bailey who obtained homestead entry for the N.W. 1/4 of 31-14-20-W 4th Meridian, on the 4th January, 1909. He informed the Agent of Dominion Lands, who took the application that he was 35 years of age, his wife 35 and that they had five children under 18 years of age. He was said to have been born in Indiana.

When he applied for Letters Patent for the land he furnished a Certificate of Naturalization dated the 5th March, 1918, which was returned to him on the 7th December, the same year. This appears to be the man in whom you are interested.

Should you require more details concerning the naturalization of this man, I would suggest that you communicate with the Under Secretary of State, Naturalization Branch, furnishing that Department with the foregoing information.

Sir,

I beg to acknowledge the receipt of your statement, dated the 14th ultimo, and in reply to say that the duties upon your homestead, the S. E. $\frac{1}{4}$ of Section 14, Township 31, Range 4, West Fifth Meridian, do not appear to have been completed, and, consequently, you are not in a position to make application for patent.

It is observed that you claim to have transferred from the N. W. $\frac{1}{4}$ of Section 12, Township 31, Range 4, West Fifth Meridian, to your present homestead, but our records do not disclose any such transaction.

It will be necessary for you to show that you have complied with one of the plans set forth in the enclosed printed memorandum before the homestead provisions of the Act may be considered as satisfied.
